Applications can be picked up at WTPUD's office or found
on the website, www.wtpud.com

Now Loan Program

To promote the sale of natural gas, West Tennessee Public Utility District (WTPUD) has established a program to provide funding to residential customers to install natural gas appliances and equipment or to upgrade existing natural gas appliances and equipment to more efficient models.

Use of the Program Fund

- Purchase of natural gas appliances and equipment.
- Installation of natural gas appliances and equipment.

Participation and Loan Structure

- New or existing residential Customers of WTPUD.
- Residential Customers must own a single family home, duplex or condominium unit where natural gas appliances or equipment will be installed.
- Existing Customers must have a satisfactory payment history with WTPUD.
- Satisfactory credit history – Credit history may be obtained.
- Loans may be secured by liens, security agreements or mortgages.
- **Maximum loan amount is \$10,000 dollars per customer.**
- **Maximum term for loans shall be \$1,000 per year up to \$10,000 for ten (10) years.**
- Terms up to ten (10) years with no early payment penalty.
- Competitive rates guaranteed for thirty (30) days after loan approval.
- Current Rate: 7%

Application, Approval and Payment

- Completion and submission of application **including 2 contractor estimates & most recent checking account statement.**
- Review of application by WTPUD personnel.
- Notification to applicant of loan approval.
- Closing of loan.
- WTPUD personnel will conduct final safety inspection and verify the installation of the natural gas appliance or equipment.
- Payment of loan funds directly to vendor or qualified contractor upon completion of final inspection by WTPUD.
